

NSS Activity 

NSS Conducts Campus Cleaning Activity on October 1st on behalf of "Swatch Bharat Abhiyan"

On October 1st, 2023, the National Service Scheme (NSS) unit of [College Name] conducted a campus cleaning activity. The activity was organized to promote cleanliness and hygiene on campus and to raise awareness about the importance of environmental protection.

NSS volunteers participated in the activity, which involved cleaning classrooms, hallways, and other areas of the campus. The volunteers also collected trash and debris from the campus grounds.

The campus cleaning activity was a success, and the NSS volunteers were able to make a significant contribution to the cleanliness and beauty of the campus. The activity was also a good opportunity for the volunteers to learn about the importance of teamwork and community service.

sports

UTD students participated in Inter college sports competition

UTD students participated in the CSVTU Intercollege Sports Competition with great enthusiasm and confidence. They made it to the semifinals in many competitions, including kabaddi for both male and female teams. Additionally, one student, Bhavik Deshmukh, won the long jump event.

The students' success at the competition is a testament to their hard work and dedication. They trained tirelessly for months in preparation for the event, and their efforts paid off. Their performance at the competition is a source of great pride for the entire UTD community.

Congratulations to all the UTD students who participated in the CSVTU Intercollege Sports Competition!

company visit

TCS promises to start a Youth Learning Program at CSVTU as Corporate Social Responsibility

TCS (TATA Consultancy Services) Regional Head Satyam Sharma and Vaibhav Mangal recently visited UTD CSVTU. During their visit, they announced the launch of a new Youth Training Program for pre-final year students.

The program is designed to provide students with the skills and knowledge they need to be successful in the IT industry. It will cover a wide range of topics, including programming, software development, and project management.

The program will be open to all pre-final year students at UTD CSVTU. It will be conducted by experienced TCS professionals and will provide students with the opportunity to gain real-world experience.

The launch of the Youth Training Program is a significant development for UTD CSVTU. It will provide students with the opportunity to learn from the best in the industry and prepare them for successful careers in the IT field.

Expert Talk

JNU CSE Dean Dr. Prof. T.V. Vijaykumar enlightens UTD students

Dr. T.V. Vijaykumar, Dean of the School of Computer and Systems Sciences at JNU (Jawaharlal Nehru University), Delhi, took a session on data science at UTD on 27th October 2023. The session was held in the UTD Seminar Hall and was attended by students and faculty.

Dr. Vijaykumar began his session by discussing the history of big data and data science. He explained how the growth of the internet and social media has led to an explosion in the amount of data that is being generated every day. This data has the potential to be used to answer important questions and solve complex problems, but it is also a challenge to manage and analyze.

Dr. Vijaykumar then went on to discuss how data science analysis is done. He explained the different steps involved in the data science process, from data collection and cleaning to data mining and modeling.

Finally, Dr. Vijaykumar shared some positive thoughts on the future of data science. He explained how data science is being used to solve important problems in a variety of fields, including healthcare, finance, and transportation.
